CAPTURE THE STATE!

On your trip, try to identify how many state license plates you can see. You can help each other by calling out license plates for everyone to match on their list. Put a checkmark on the states for which you find license plates.

RANDOM QUESTION

Have everyone stop their current activities in the car. Each person in the car needs to answer this question:

How many children
would you like to
have someday?
Why?

MAZE

ROAD TRIP SONG TIME

Have everyone in the car stop what they are doing. Take a few minutes to learn (or at least sing) this song.

Yankee Doodle

Although “Yankee Doodle” was a British song set out to mock the organization of the Yankee’s in early US history, it has been widely sung and enjoyed by American’s all over.

“Doodle” was a term that meant something like a fool, or inept person. The term “Macaroni” that has often sent school children giggling is actually a reference to a fashionable English hat at the time.

Fath’r and I went down to camp
along with Captain Goodin’,
And there we saw the mend and boys
as thick as hasty puddin’

Yankee Doodle, keep it up!
Yankee Doodle dandy.
Mind the music and the step,
and with the girls be handy.

There we saw a thousand men,
as rich as Squier David;
And what they wasted ev’ry day,
I wish it could be saved.

Yankee Doodle, keep it up!
Yankee Doodle dandy.
Mind the music and the step,
and with the girls be handy.

Yankee Doodle went to London
riding on a pony,
He stuck a feather in his cap
and called it macaroni.

Yankee Doodle, keep it up!
Yankee Doodle dandy.
Mind the music and the step,
and with the girls be handy.

BINGO!

Insert random numbers between 1 and 100 in your blank bingo card below. Once everyone has their bingo card filled in, have the driver call out numbers randomly. Mark off the number, if you have it on your board, when the driver calls it out. The first person to get five numbers in a row — either horizontally, vertically, or diagonally, wins the round.

TIC-TAC-TOE

I SPY

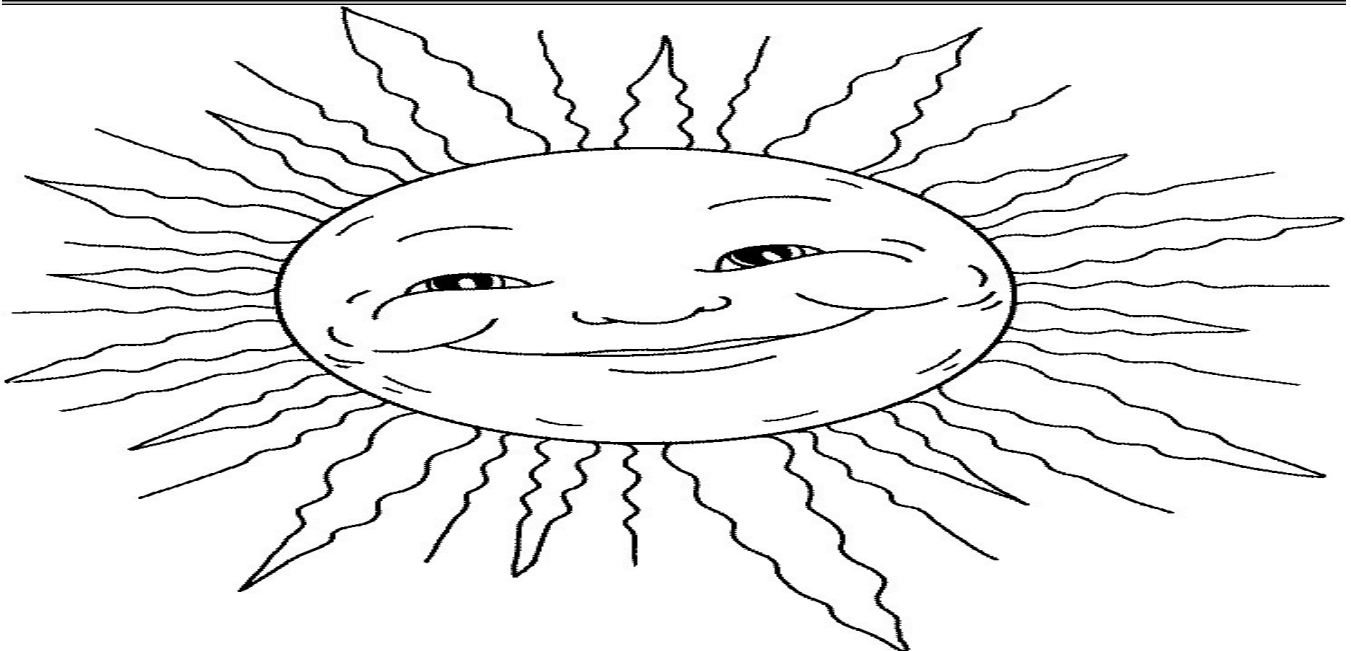

Pick someone in the vehicle to start the game out. They silently pick something that they see either in the vehicle or within the immediate surroundings.

Once they have the object, they say, "I spy something with my little eye that..." they then give a hint to everyone such as "...is red", or "...is plastic", or "...starts with the letter B."

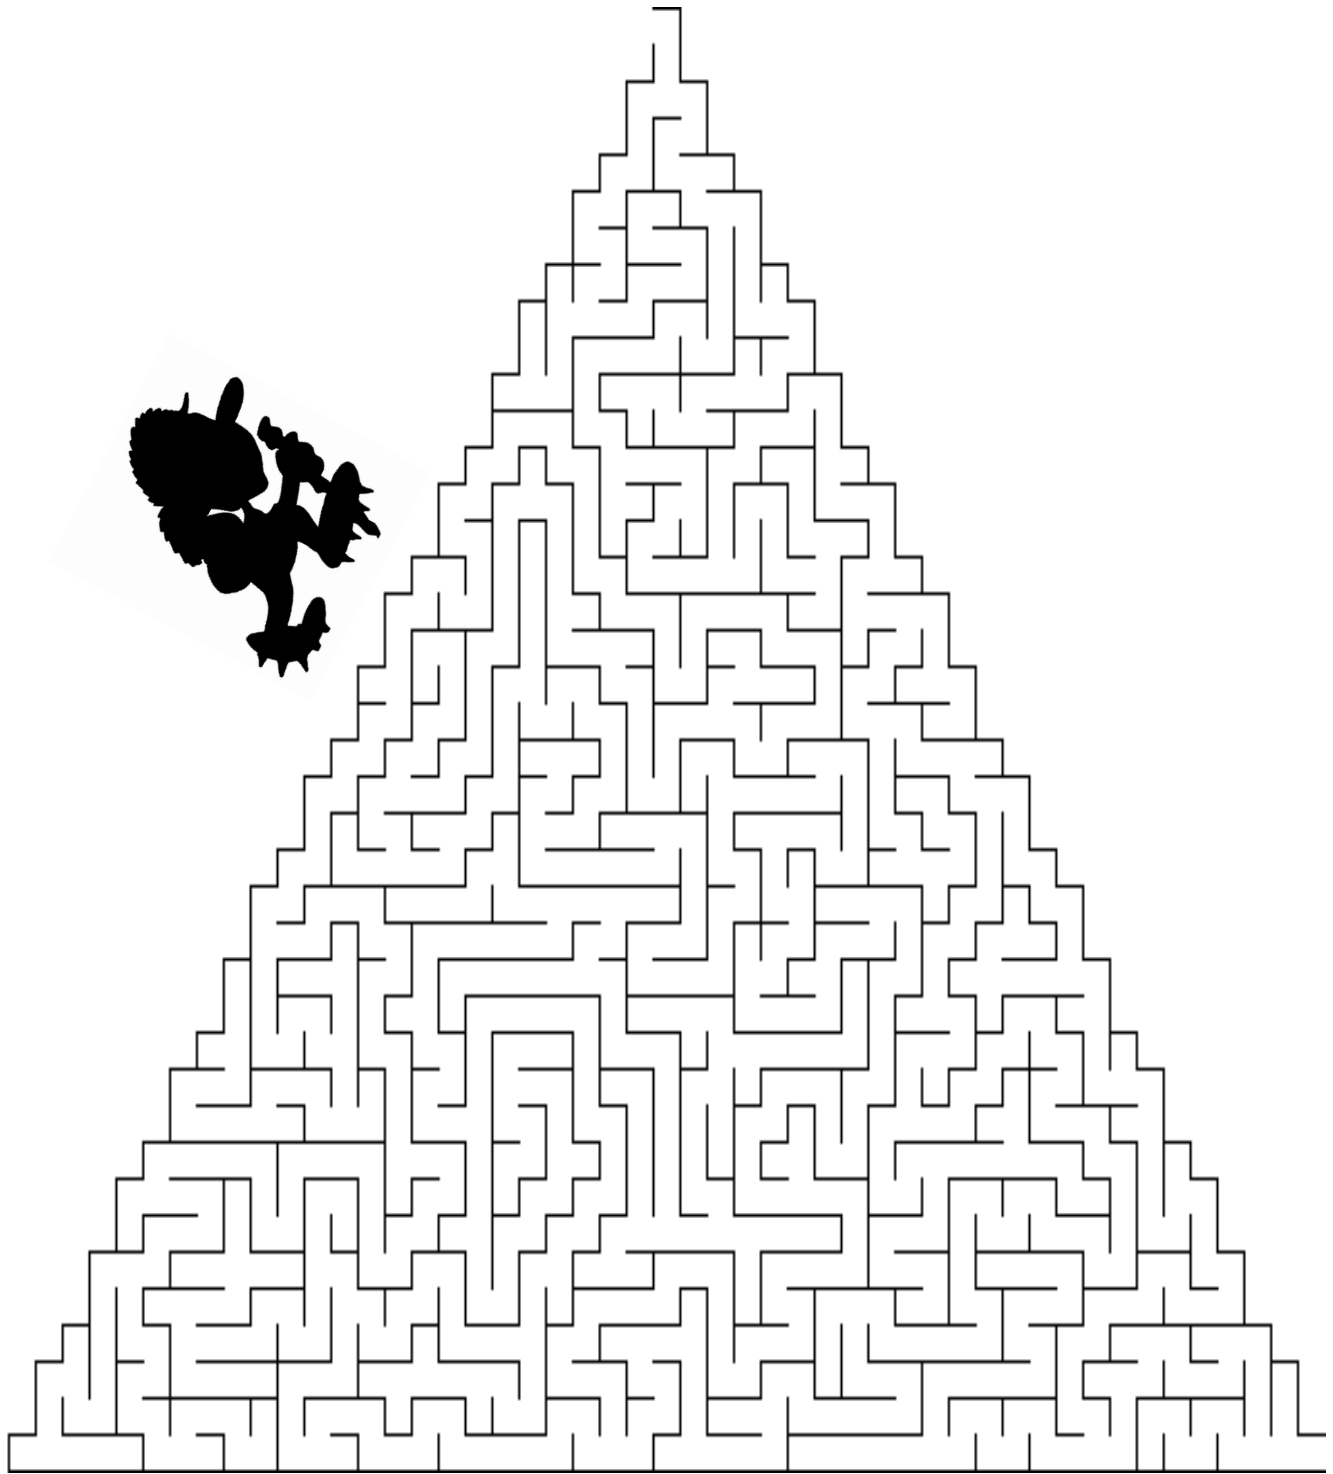

Everyone in the car takes turns asking yes or no questions or guessing the object.

The person to guess correctly gets to be the next "Spy".
